

agreed-upon exit of troops in these terms: "Take these routes, don't get off them, move quickly, do not stop to collect \$200," in an apparent reference to the Monopoly game. The same diplomat was saying, "Anybody off the yellow brick road is subject to being bombed," a reference to the Wizard of Oz.

The undisguised attempts to trivialize the importance of troop withdrawals and the further threats to bomb military targets in retreat reveals an arrogance of power which is neither conducive to concluding a peaceful agreement, nor keeping a condition of peace. If NATO wants peace, it ought to show it by stopping the bombing.

#### CONGRATULATING PEOPLE OF GUAM ON CONTRIBUTIONS TO SOUTH PACIFIC GAMES

(Mr. UNDERWOOD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. UNDERWOOD. Mr. Speaker, I take this time on the floor to congratulate the people of Guam for their exemplary contributions to the management and the operation of the South Pacific Games.

The South Pacific Games occur every 4 years and invite a number of athletes from all the South Pacific independent nations, as well as territories under French control and under American control, for games which are actually part of a larger set of games qualifying for the Olympics.

I am happy to report that Governor Carl Gutierrez, as well as Clifford Guzman, Rick Goss and a number of other people from the Guam National Olympic Coordinating Committee, have done an exemplary job in welcoming over 3,000 athletes from throughout the Pacific Islands.

Right now Guam is number three in medals, but we still have a week left to go. I want to congratulate all of the fine athletes from Guam.
